Introduction

- Pharma Link faced supply chain challenges—inefficient inventory management, order delays, and supplier coordination issues—that disrupted operations and product availability.

- This project aims to solve these problems by implementing Odoo ERP, streamlining procurement, automating inventory, and enhancing supplier connections. With Odoo, Pharma Link will improve efficiency, ensuring better service for pharmacies and customers alike.

Objectives & Goals

Objectives

- **Streamline Supply Chain: Optimize procurement, inventory, and supplier coordination with *Odoo ERP*.**
- **Automate Operations: Reduce manual tasks and minimize delays in order processing.**
- **Increase Visibility: Provide real-time data for better decision-making.**

Goals

- **Improve Efficiency: Ensure faster access to essential products.**
- **Enhance Supplier Relations: Strengthen and simplify supplier partnerships.**
- **Boost Customer Experience: Deliver timely, reliable service for both pharmacies and consumers.**

Company Overview

Pharma Link revolutionizes the pharmaceutical supply chain by connecting pharmacies directly with suppliers through a seamless B2B and B2C marketplace.

Our platform empowers businesses to:

- Efficiently manage inventory
- Optimize procurement processes
- Enhance customer delivery

With a comprehensive view of the supply chain, Pharma Link ensures that essential medications are always available, transforming the way healthcare is delivered.

Why Choose Odoo ERP?

- Comprehensive Functionality
- Customization
- User-Friendly Interface
- Scalability
- Open Source
- Strong Community Support
- Cost-Effective
